Internet access

Wireless internet access is available via 'The Cloud' free Wi-Fi system:

- Turn on WiFi
- Select 'The Cloud' from available network list
- Open browser and follow on screen instructions
- Once registered you can connect to The Cloud WiFi without needing to re-enter username and password

Delegates with an email address linked to a participating academic institution may log straight into the shared Eduroam service (using the standard password for that email account)

In case of problems, leads are available from the Porters in case you need one to connect your laptop and there is also a computer room for delegates' use.

Building works

During the meeting planning we were informed that building works would take place at the College during the time of our meeting. We have been assured that these works will not affect your enjoyment of the meeting but if you have any issues at all please do not hesitate to let us know, either directly or via the registration desk and/or porters.
